

Include IARC in your Google Scholar affiliation

Step 1. Log in to Google Scholar and select My Profile

Step 2. If your affiliation doesn't include *International Arctic Research Center*, click the pencil to edit.

Step 3. Edit your affiliation. You can add other affiliations (e.g. *University of Alaska, International Arctic Research Center, Alaska Climate Adaptation Science Center*) as long as the affiliation name includes the entire IARC name spelled out. Use only commas to separate multiple affiliations.
